QUALITY, HEALTH, SAFETY & ENVIRONMENT (QHSE) POLICY

At **GENIO'S7 (Pty) Ltd**, we are committed to delivering reliable **Procurement, Supplier Management Oil & Gas Products, Import & Export, Handling & Forwarding Services** and supplying **Digital Card Printers and Corporate Gifts, and related solutions** that consistently meet customer, statutory, regulatory, and other applicable requirements.

We are committed to conducting our business in a manner that ensures customer satisfaction, protects the environment, provides safe and healthy working conditions, prevents work-related injuries and ill health, and promotes continual improvement of our Integrated Quality, Health, Safety, and Environmental (QHSE) Management System.

To achieve this commitment, GENIO'S7 (Pty) Ltd shall:

- Meet customer, statutory, regulatory, contractual, and other applicable requirements.
- Maintain effective processes for procurement, supplier management, logistics, import & export, handling, and forwarding services.
- Select, evaluate, and monitor suppliers to ensure the consistent delivery of quality products and services.
- Protect the environment by preventing pollution, minimizing waste, conserving natural resources, and complying with environmental obligations.
- Eliminate hazards and reduce occupational health and safety risks by providing safe and healthy working conditions for employees, contractors, and visitors.
- Promote consultation and participation of workers in maintaining a safe and healthy workplace.
- Develop employee competence through training, awareness, and continuous improvement initiatives.
- Identify, assess, and manage risks and opportunities that may affect product quality, environmental performance, and occupational health & safety.
- Establish, monitor, and review measurable QHSE objectives aligned with the strategic direction of the organization.
- Provide adequate resources, competent personnel, infrastructure, and technology to support the effective implementation of the Integrated Management System.
- Continually improve the effectiveness of the Integrated Management System in accordance with the requirements of **ISO 9001:2015, ISO 14001:2015, and ISO 45001:2018**.

This policy is communicated to all employees, contractors, suppliers, and relevant interested parties and is reviewed periodically to ensure its continued suitability, adequacy, and effectiveness.
